REVIEW AND APPROVAL PROCESS AND TIMETABLE

Frisco First receives many requests for financial support each year. The Frisco First mission team prayerful reviews each request for financial support. There are many wonderful mission activities taking place locally, nationally and internationally, all engaging in sharing the good news. The selection on ministries to support is not based on a ranking of individual or organization's "worthiness" but rather on the "fit" of the applicant with the current Frisco First mission statement, the operating goals, the program objectives, available funding and the mission focus of Frisco First Church. The Mission Team will prayerfully review all applications and will notify the applicant when a decision has been made by the Mission's team. The Mission Team will make the final recommendation to church leadership.
