SCHOOL & ACADEMY

Parent Handbook
2022-2023

Letter to Parents

The staff at Sonshine School and Sonshine Academy wants to extend a warm welcome to you and your children. Your children are your most precious possessions, and we are delighted that you have chosen to share them with us!

We believe the preschool years should be filled with happy, memorable experiences. Your child's early childhood education experience is very important. Our mission is to teach young children about God's love and His plan of salvation, to guide them in applying their faith to life and in sharing that faith with others, and to provide an outstanding preschool education from a Christian perspective.

Through teaching children devotion to God, love and kindness for others, respect for authority, obedience to divine commandments, self-discipline and self-control, humbleness of spirit, and to emphasize the child's worth in the kingdom of God, we believe that Sonshine School and Sonshine Academy will provide your child a place where he/she can grow and learn in God's grace and for His glory. Every effort will be made to assure each child a safe, happy, and stimulating experience in our program in an age-appropriate manner.

This Parent Handbook has been prepared for your use throughout the school year. We hope that it provides you with answers to any questions you may have regarding our school; we recommend that you read it thoroughly.

In His Service,

Cheryl Lochner
Sonshine School Director

Ann Marie Lindig
Sonshine Academy Director

2. School Days & Hours of Operation

Tuesday & Thursday 9:10 am – 2:10 pm

We are open September through May. We follow the Frisco ISD school calendar and observe all holidays and school days off therein.

Should inclement weather or any other circumstance close Frisco public schools, Sonshine School and Academy will also close.

3. Registration & Enrollment

Placement in classes is based on age. All classes are filled based on the age of each child by September 1st of the current school year. For example, a child must be 2 years old by September 1st to be admitted to the 2-year-old classes.

Sonshine School and Sonshine Academy do not discriminate based on race, color, national, and ethnic origin.

Sonshine School admits newborns 3 months or older through young 3's. Children in our Sonshine School will have supervised bathroom visits and will receive help as necessary.

Sonshine Academy admits children 3 years old to 5 years old and requires that all children be toilet trained and able to wipe independently. No pull-ups.

Your child will not be considered enrolled until the registration fee is paid. Registration is \$100 per child. This is a non-refundable fee. A short wait list will be taken at the beginning of each school year to fill vacancies for the current year only. **Wait lists do not carry over.**

2023-2024 Registration for current students and siblings runs from January 1st through January 31st. **Registration will officially open to the public on February 8, 2023, at 9:00 am.** Registration will be on a first-come, first-serve basis. Registration requires a \$100.00 non-refundable fee. To further guarantee placement, both schools require that each child's first month's tuition be paid in full by **Thursday, June 22, 2023.** This tuition must be paid on time to secure placement for the upcoming school year.

4. Tuition Policies for 2022-2023:

Tuition is payable by the first school day of the month or annually.

Sonshine School-	*\$250 per month
Sonshine Academy-	*\$250 per month

*A supply fee of \$75 will be collected in September & January

There is a tuition discount of \$10 per sibling.

Acceptable forms of payment are: Cash, personal or business check, or participation in the Pre-Authorized Payments (ACH Debits) program. **We do not accept credit cards or e-checks.**

Late payments will be incurred/dealt with as follows:

- \$10 late fee if tuition is not received by the 10th of the month
- \$20 late fee if tuition is not received by the 20th of the month
- NSF fees: A \$15 NSF fee will be incurred for all returned checks **over** \$100.00. (our bank will not allow resubmissions for NSF)
- NSF fees: A \$10 NSF fee will be incurred for all returned checks **under** \$100.01 (our bank will not allow resubmissions for NSF)

- After two late payments, you will receive notification and after third late payment, student tuition must be set up on auto-withdrawal or student will be unenrolled from our program.
- After two returned checks, student tuition will be accepted on a cash only basis.
- If tuition is not received within the month it is due, student will be given a two-week grace period in which to become current with tuition (both previous month & current). During this time, student will remain home. If tuition is not received after this period of time, student will be unenrolled from program.
- May tuition must be paid in full by May 4th for child to continue in school through the end of year. There are no tuition refunds for the month of May.

PLEASE SEPARATE TUITION FOR SONSHINE SCHOOL AND SONSHINE ACADEMY, as we cannot separate tuition between the two schools. We are sorry for any inconvenience.

Tuition payments can be placed in your child's daily folder or deposited into the wall-mounted tuition box located outside the Administrative preschool office for Sonshine School or in the box located by the hall door for Sonshine Academy.

If it becomes necessary to withdraw your child from the program, at least two weeks' notice must be given in writing. Tuition for the two weeks in attendance will be due. Registration and supply fees are non-refundable. No refunds will be given for days when children do not attend due to illness. There is no fee reduction for holidays or snow days. Tuition reimbursement will not be given during the month of May. The total cost of our programs is prorated monthly; therefore, a full month's tuition is due each month regardless of the number of days attended therein.

Tuition refunds during times of quarantine will not be available to students.

Should our entire school need to close due to COVID-19 for an extended amount of time, we will not invoice parents for further fees during the closure.

5. Emergency Contacts

For both schools we ask that if someone else will be picking up your child from school, please notify the teacher in advance in writing. Your child will only be released to those designated on the Emergency and Pickup Contacts you have listed in your child's online portal without notification.

It is entirely the parent's responsibility to keep the school updated on any address, telephone, or emergency contact changes. There must be at least one additional contact listed besides mom and dad in the event of illness or emergency in your child's online portal.

6. Toilet-Training Requirements

For newborns, toddlers, and twos not yet potty-trained, please bring an adequate supply of diapers, with your child's name on all items (including individual diapers).

If your child is in the potty-training stage, your child **must** wear pull-ups or diapers. Please be sure to pack extra clothing: pants, shirts, and socks. Our main focus is teaching your child and the other children within the classroom setting and handling each child's toilet training as is needed throughout the day. *To be considered potty-trained your child must be able to recognize and express their need to use the bathroom, and independently pull their pants up and down with minimal assistance.

Sonshine Academy admits children 3 years old to 5 years old and requires that all children be toilet trained and in underwear. We encourage children to use the bathroom during several scheduled bathroom trips throughout the school day. As all parents know, sometimes these scheduled trips are not always enough! The children in our care may be permitted to go to the bathroom with an assigned buddy or other staff member should these needs arise.

To be considered toilet trained a child must be able to:

- recognize when he/she needs to use the bathroom,
- verbally express their needs,
- Independently pull pants up and down, and independently clean themselves.

Please send children in clothing that they can manage independently. Children will be encouraged to do the best they can and reminded to wash their hands.

7. Immunization Forms

State law requires us to have an updated immunization form or waiver from the state for each student. This form must be signed by a doctor and dated. Please send a copy of any new immunizations that your child receives throughout the year to be added to your enrollment packet.

8. Drop off & Pick up Procedures

All Students: Our school day begins at 9:10. Pick up will begin promptly at 2:10. After three (3) late pick-ups your account may result in a late fee being charged. Parents are asked to park and walk their infants, toddlers, and twos (Sonshine School students) into the building. Parents who do not have a child in Sonshine School are asked to use carline for drop off & pick up. Please read below for specific information related to each program.

Should your child require an alternative pick up time or have special needs, please contact one of the directors to determine the best way to handle such accommodations. Please keep in mind that to run drop off and pick up smoothly, we will need to focus complete attention to that process and parents with accommodations may need to come earlier than usual.

Sonshine School: To provide the best safety for our Sonshine School families, we ask you to enter the church parking lot via Hummingbird. Please park in the southeast parking lot.

The maximum speed limit at all times on the school grounds is 5 MPH.

Cell phones must NOT be used in the parking lot or drive lane.

To minimize traffic in the hallway, we ask only one parent/guardian/care giver to enter the building to drop off and/or pick up. Separate entrances and exits will be utilized for drop off and pick up. A drop off and pick up map will be provided with your Meet the Teacher folder.)

All parents will enter via the main doors and turn right toward the preschool interior glass doors. When directed, you will be allowed down the east wing where you will meet your child's teacher at the Pod entrance. You will then be directed out the south-east doors. Should procedures need to be modified, parents will be notified of all changes. Students will be dropped off and picked up from the **pod entrances**.

There will be no parent drop off or pick up directly at the classrooms. Parents will be given a pickup sign to use during afternoon indoor pickup. The pickup sign is very important as this instantly identifies for us your child's pod and teacher which will ensure a smoother pickup transition.

Sonshine Academy:

To maximize the time in our school day, parents will be required to drop off and pick up their Academy students via the carline unless they also have a child in Sonshine School. There will be no parent drop off or pickup directly to classrooms except on the "No Carlane" days listed in the calendar. Parents will be given a pickup sign to use during indoor pickup and carline. The pickup sign is very important as this instantly identifies for us your child's pod and teacher and helps to make pickup run faster. Parents or caregivers who do not have a pickup sign may use a license for pickup, however they will be asked to step aside while we verify identity. For safety & security purposes, parents/adults are not allowed in the Academy hallways during drop off and pick up. Should procedures need to be modified, parents will be notified of all changes.

Academy Indoor Drop off or Pickup: (For parents who have a child in both programs only.) Parents will follow the guidelines listed above for Sonshine School drop off & pick up. Once you enter the building, you will drop-off or pick up your Academy student first. Sonshine Academy drop off and pick up will be at the double glass doors. Staff members will meet your child at the glass doors and then take them to their classrooms during drop-off and will bring students from their classrooms to the glass doors for pickup. Parents will then funnel through the line for Sonshine School exit.

Academy Car Lane: Entrance to the car line is from Main Street ONLY. Please depart the school via Hummingbird ONLY.

The maximum speed limit at all times on the school grounds is 5 MPH.

Cell phones must not be used in the parking lot or drive lane.

Parents and children are asked to remain in the car until a staff member approaches to assist the child from the car. If at all possible, please **have your child sitting on the driver's side of the vehicle**. It is more dangerous for our staff and students to walk behind or in front of a vehicle. As you are waiting for carline drop off to begin, it is helpful if you will unbuckle your child from their car seat. This will speed up our drop off lane.

We ask that parents DO NOT exit their vehicles in the pick-up line. If your child is unable to strap their self in, we ask that you pull your vehicle to the west parking lot to safely park and secure your child.

9. School Security Procedures

It is the purpose and intent of Sonshine School and Academy to provide a safe, secure environment to teach and care for the children in our programs. To maintain security to the best of our ability, all paid staff within First Baptist Church - whether part-time or full-time, are required to complete a confidential application form and background check prior to being hired within our school. Background checks are ongoing. All staff are also required to complete a training through Ministry Awareness.

Entry into our building is left unlocked during arrival and dismissal time each day. Between these times, doors are locked, and entry can be obtained through the doorbell, to the far right at the front main doors, which will notify our staff assistant. Children in our care may only be dismissed to people who are listed on that child's approved list of caregivers. Identification is required.

10. COVID-19 Mitigation Guidelines and Health Policies

We learn more about Covid-19 every day, and the CDC recommendations change as more information becomes available. Therefore, our staff and student policies may also be updated and modified during the course of the school year. Our COVID-19 mitigation Our Health Policy plan includes many different strategies that are designed to keep our students and staff safe.

- **Staying home:** It is important for staff and students to stay home if they are sick. COVID-19 symptoms can be similar to symptoms of a variety of illnesses. However, we must be overly cautious in order to protect everyone from the spread of the virus and follow CDC recommendations for return to school. Students who show signs of illness and have not been around anyone who has been diagnosed with COVID-19, should stay home until 24 hours after the fever is gone and all symptoms subside. If the student's symptoms worsen, the parent should contact a health care provider to determine whether testing for COVID-19 is recommended.

It is expected that all staff and students will screen themselves before coming to school each day.

	Temperature 100° or higher
	Sore throat
	New uncontrolled cough
	Shortness of breath or difficulty breathing
	Diarrhea, vomiting, or abdominal pain
	Congestion, runny nose or allergies that cause them to be listless or obviously uncomfortable
	Headache
	Muscle pain, aches, fatigue
	Unknown rash
	Earache/ Ear infection that is causing pain/discomfort

If you answer YES to any question the child is asked to stay home until symptom free for 24 hours without fever reducing medications or have received another diagnosis from a healthcare provider.

- **Students who test positive for COVID-19:** must self-quarantine for 5 days from the point the symptoms first appeared and resolution of fever for at least 24 hours, **without the use of fever-reducing medications**, and **with improvement of other symptoms**. Persons who never develop symptoms but test positive for Covid-19 may return to school after 5 days of the positive test. ****Loss of taste and smell may persist for weeks or months after recovery and need not delay the end of isolation.** Parents are asked to make a confidential disclosure to one of their directors should their child have Covid-19 symptoms or test positive for COVID-19.
- **Students who have been in “close contact” with a COVID-19 positive individual:** If you feel your child has been in close contact with someone who tests positive for Covid-19, we are asking you to keep your child at home to monitor their health. Parents are asked to contact their director to determine when to return to school.
- **Healthy hygiene practices:** As part of our curriculum, students will be taught the safest way to cough, sneeze, and wash hands.

Students will be washing their hands or using hand sanitizer:

- after arrival
- before and after recess, snack time, center time, lunch time
- after using the restroom
- after sneezing, coughing

Staff will also be washing hands at these and other key times when they are more likely to spread or get infected by germs.

- **Cleaning and disinfecting:** Several times during the day, we will be disinfecting high traffic touch points (doorknobs, toilets, faucets, tabletops, etc.). Our facilities staff will also be disinfecting the rooms at the end of the day.
- **Social Distancing:** We will follow social distancing policies when feasible. We will avoid large group activities while Covid-19 cases are highly active in our area.
- **Isolation:** If a child becomes sick during the school day, the child will be separated from other children and will be supervised until they are picked up. If the parent cannot be contacted, the contact person listed on your child's online portal under the Emergency Contact tab will be contacted and asked to come for your child. Be sure to keep your phone available so that you are always reachable. **We expect the child to be picked up within 30 minutes of notification.**

Other Health Policies:

A medical note may be required upon return for any rash or communicable illness.

It is our school policy that a child who has lice must be nit free before returning to school. The returning child will need to be checked by the director before being allowed to attend class.

Parents are required to notify the school whenever a child has been exposed to or been diagnosed with a contagious disease, including, but not limited to, hand/foot/mouth; strep; staph infection; lice, COVID-19; etc.

11. Medications

Parents are encouraged to give all medications at home. When medications are to be administered by school staff, the following procedure must take place:

- Please space the administering of the medication to be at lunchtime if it may be taken with food.
- Prescription and non-prescription medications will be accepted only in the original containers. The medication must be handed directly to Staff or Administration.
- Written instructions must be provided from the person prescribing the medication. This can include instructions on a prescription label.
- Because the medication will be in the original container, the label will clearly indicate the name of the medication and the name of the child to whom the medication is to be given.
- Place all medication in a zipper bag, clearly labeled with child and teacher's name.

At Sonshine School and Sonshine Academy we acknowledge the importance of sun protection and want staff and children to enjoy the sun safely. Parents are encouraged to apply Sunscreen, and/or Bug Spray, prior to the start of your child's school day.

12. Medical Emergencies

While all precautions will be taken to ensure the safety of your child on campus, accidents do occur. Please note that all injuries are documented. If your child is injured at school, you will be notified verbally and/or in writing.

In the event of an accident, the teacher or staff will administer the needed first aid for minor injuries. If it is necessary, paramedics will be called. Parents are financially responsible for the emergency services, including, but not limited to, ambulance and emergency room costs. Sonshine School and Sonshine Academy are covered with appropriate liability insurance.

13. Substitutes

School: Substitutes will be paired with a current staff member to minimize any disruptions to routines the students are familiar with.

Academy: Substitutes will always take the place of a Teacher's Aide. If a teacher is absent, the most natural replacement for that teacher is the aide who is normally in the classroom.

14. Curriculum

Sonshine School and Sonshine Academy curriculum is based on the concept that children are created uniquely and develop at different rates. It is our desire to grow Sonshine students spiritually, socially, and intellectually. Using Abeka, Handwriting Without Tears, and other resources for ages 1 year and up, we have designed a program that develops essential pre-reading skills from the earliest age. As the students progress through our program, they will begin putting letters together to form words and even sentences. We also integrate theme concepts as we teach key literacy skills. Our math curriculum promotes hands-on learning activities around basic math concepts. Through music & movement, students will reinforce the skills they are learning in class and a love for praising God. Our Bible curriculum uses fun and exciting formats such as puppetry to teach our basic doctrinal beliefs. The key ingredient to our whole program is FUN with a purpose!

15. Conferences

Sonshine Academy will plan individual parent-teacher conferences during the fall and spring to discuss your child's progress.

16. Discipline

"Train a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6

"Do not withhold correction from a child." Proverbs 23:13

Discipline is not the same as punishment. Discipline involves teaching children right from wrong, how to respect the rights of others, which behaviors are acceptable, and which are not, with a goal of helping to develop a child who feels secure and loved, is self-confident, self-disciplined, and knows how to control his impulses.

We discipline because children thrive with boundaries. Another reason we discipline is to help the children learn to love their Lord. Therefore, we do have rules and expect appropriate behavior from everyone.

"Love is patient, love is kind." 1 Corinthians 13:4

Discipline is always approached in a loving, positive manner. The staff will voice to the child the desired behavior rather than denounce the negative behavior the child is demonstrating. The goal is to make the child pause and think.

Teachers will use praise, practice, consistency, and redirection to teach the desired behaviors.

If we feel a behavior warrants further action, we will use different age-appropriate consequences. These include a short time out or a "thinking chair", natural consequences, removal from an activity, a phone call to parents, or a visit to the Director. Any consequence will be done without embarrassment or humiliation. The goal of the consequence is to give the child an opportunity to rethink their behavior and practice to make better choices. The guideline we use for the "thinking chair" is one minute of time for the age of the child. If we feel it is necessary, we will inform you of any incident through your child's daily report or via an email/phone call.

If the child exhibits uncontrollable behavior or threatens his/her own safety or the safety of others, his/her parents will be called to pick the child up immediately.

17. School Rules

"Be courteous to all men." Titus 3:2

"We work together." 1 Corinthians 3:9

"Be kind to one another." Galatians 5:13

Our school will consistently stress the importance of the following rules to children. Your assistance in sharing these rules with your children is greatly appreciated!

- We say "please" and "thank you." Children should be respectful of staff and friends. This would include using appropriate terms of respect (ma'am, Mrs. etc.) and the importance of saying, "I'm sorry" or "I forgive you."
- We keep our hands to ourselves. Children should be courteous. This would include disruptive behavior.
- We follow directions.
- We pick up our toys. Students should be respectful of their surroundings. This would include school property, picking up after their self, and pushing in chairs.
- We take turns. Patience does not always come naturally; patience is developed and taught.
- HAVE FUN!

18. Biting Policy

Biting is, unfortunately, not unexpected when toddlers/twos are in a class. It is always upsetting when children are bitten. We recognize how upsetting it is for parents of both the child who is bitten as well as the child who is biting! Biting is a natural developmental stage that many children go through. It is usually a temporary condition that is most common between thirteen and twenty-four months of age. The safety of every child is our primary concern. As a staff, we are to be sensitive to circumstances in which biting occurs

and use preventive measures to stop biting behavior. Here are the ways our staff will work to prevent a typical biting incident and how we will respond to biting.

- First, we try to program the day to avoid boredom, frustration, or over stimulation. We provide a calm and cheerful atmosphere with a mix of stimulating and soothing, age-appropriate activities and with multiples of favorite toys. We also work to model acceptable and appropriate behaviors for the children, helping them learn words to express their feelings and giving them tools to resolve conflicts with our help.
- Second, if a bite does occur, we help the child who was bitten. We reassure him or her and care for the bite. If the skin is not broken, we use a cold pack. If the skin is broken, we follow medical advice and clean the bite with soap and water. If it is likely that the bite may get dirty, we will also cover it to keep it clean. If your child is bitten, we will call you to let you know about the bite. The teachers fill out an incident report and have it signed by our director or assistant director. A copy is kept on file, and the original given to you when you pick up your child. We also respond to the child who did the biting. We show the child strong disapproval of biting. Our specific response varies depending on the circumstances, but our basic message is that biting is the wrong thing to do. We help the child who bit learn different, more appropriate behavior, and we let the child's parents know that there is a problem so we can work together to solve it.
- Third, the teachers and directors try to analyze the cause of ongoing biting. We work to develop a plan to address the causes of the biting. We put all our energy into keeping children safe and help children who are stuck in biting patterns. When we need to develop such a plan, we share the details with parents, so they know specifically how we are addressing the problem.
- Fourth, parents are notified if their child starts to bite. We ask parents to keep us informed if their child is biting at home. Children who bite in our program do not necessarily bite at home. But if your child is biting in both places, it is important for all of us to be consistent in dealing with it. Communication is very important to help your child stop biting.

We wish we could guarantee that biting will never happen in our program, but we know there is no such guarantee. Our staff has been trained to deal appropriately with biting so that the behavior will end as quickly as possible. We will support your child whether they bite or are bitten. We want the best for all the children in our program. If a biting incident occurs, these are the general actions that will be taken. If you would like more information on our biting plan of action or have any questions or concerns, please contact your child's director.

19. Withdrawal Policy

If it becomes necessary to withdraw your child from the program, at least two weeks' notice must be given in writing. Tuition is due for these 2 weeks.

Registration and supply fees are non-refundable.

Tuition reimbursement will not be given during the first or last month of school for early leave.

Also, at the discretion of the teacher and administration, a parent may be requested to withdraw their child for these or other reasons:

- If the child does not make the proper adjustments to school or is considered in any way to be a detriment to the other children or program.

- If the special needs of a child cannot be met after an adequate period of time. (determined by director)
- Physical and/or verbal abuse of staff or children by parent or child will not be tolerated.
- If a child's biting becomes habitual or dangerous and all methods of resolution have been exhausted.
- If medical or immunization records are not provided and current.
- Non-toilet trained children in the Academy program.
- Non-paid tuition and fees.

Withdrawal policy concerning registration for 2023-2024 school year:

Registration fees are nonrefundable.

Tuition refund policy: Tuition is due by June 22, 2023.

- Jan. 10, 2023-June 22, 2023- Full tuition refund
- June 22, 2023-July 13, 2023- Full tuition refund -\$50 withdrawal fee (pending student replacement)
- July 14, 2023-July 31, 2023- Half tuition refund (pending student replacement)
- August 1, 2023-September 30, 2023- No tuition refund.

20. Clothing

Please dress your children in play clothes suitable for playing and painting. We use tempera paint, but the children do not always wear their paint smocks and sometimes a brush may go astray. We do try to be careful, but as you know, accidents do happen.

Please select shoes that give support and allow freedom of movement for climbing, running, skipping and other activities. We advise no flip-flops, crocs, or backless shoes, as they do not provide the support and safety required. **Rubber soled shoes or sneakers are best.** Sonshine School and Sonshine Academy are not responsible for lost or damaged clothing or belongings.

21. What to Bring Each Day

Please provide your child with:

- A nutritious lunch and drink.
- Change of clothes - weather appropriate, labeled with child's name (include socks, underwear, top, bottoms)
- Nap mat for ones & twos, labeled with child's name.
- Large towel for three-year-old "quiet time", labeled with child's name
- Students will need a reusable water bottle or sippy cup. (Drinking fountains will not be available.)
- Backpack (large enough to hold folder and lunch box), clearly labeled with child's name
- Sonshine folder (provided by the school)
- To ensure that your child's belongings stay together, be sure to label all clothing, backpacks, etc.
- PLEASE leave your child's toys at home.
- For Sonshine School (one year & up) and Sonshine Academy, please provide your child's breakfast to them prior to arriving at school. Please do not send them in to school with unfinished breakfast items.
- Strollers will need to exit the campus with the parent. We will not be able to store strollers during the school day.

22. Lunches & Snacks

Sonshine School and Sonshine Academy will provide snacks for your child daily. Not all classes have a snack time. Please inquire with your teacher. If your child has any dietary restrictions that prevent him/her from having the snacks regularly provided, parents will be asked to provide their child's daily snack.

Sonshine School students will need to bring an adequate number of bottles, pacifiers, and cups, all labeled, for your child. A suggestion would be to use fingernail polish, as it will not wash off in water but can be removed later if needed. Students in 1 and 2 year old classes: Please send your child with finger foods for lunch. While we would like to encourage healthy eating habits, we also want the children to be able to eat their food by themselves.

Sonshine School will offer Pizza Day once per month. Sonshine Academy offers Pizza Days twice a month. Please check your child's monthly calendar for exact dates.

Please note we are unable to heat lunches for children.

23. Monthly Newsletter

A newsletter is sent home each month providing you with a calendar of upcoming events and general news about our school. The newsletters differ for Sonshine School and Sonshine Academy. Please read the newsletter carefully each month. Sometimes we may request that you bring something to school -- for example, toilet paper rolls for a craft project. We may also have School Spirit Days or Color Days where children are asked to wear their school shirt (if they have one) or a specific color that corresponds to their calendar. (Note: We try to make school spirit days and pizza days match as much as possible for School and Academy. However, due to the differences in our curriculum, all special events will not fall on the same day. So be sure to check each school calendar.) There will also be helpful information included in the newsletter. Do not hesitate to call us for clarification of items in the newsletter.

24. After-School Programs

Depending on availability each year, Sonshine Academy offers various after-school programs for students. These programs run independently of our program. Parents are encouraged to contact the program leaders directly with questions/concerns. Sonshine Academy will facilitate the transfer of students to the appropriate program with written permission from parents. However, we do strongly encourage parents to watch students and be available to them during after school activities. In order to best utilize the time we have with our students, we cannot be responsible for changes of clothes, shoes, or other preparations related to the after school activity.

25. Celebrations (aka- Parent Parties)

Sonshine classes will continue to celebrate holidays and theme days during the year. Due to Covid-19, we will need to limit the number of people in a small space. Holiday parties will be held during the school day. We love inviting parents to attend activities. Sonshine Academy will be notifying parents throughout the school year about upcoming events and will invite parents to attend whenever it is safe to do so.

26. Birthdays

Birthdays are very special to young children. We would like to celebrate each child's birthday either on or near the actual birth date. If you would like to send special treats that day, we encourage you to do so. We suggest individual servings such as cookies, or easy-to-eat snacks. Please make arrangements with your child's teacher in advance to ensure there are no dietary or health restrictions for the class.

In Sonshine School and Sonshine Academy, we want to ensure that all children and staff feel recognized for their special day. For all our children, with summer birthdays (May 13 - Sept 2), we will recognize their half birthday. Feel free to bring treats or help celebrate their "Happy Half!"

27. Teacher Appreciation

We like to praise our teachers for the work that they do. Both of our schools would like to encourage you to please let us know if your child has informed you of something wonderful they have learned from their teacher, positive feedback, or any praises you may have. Unfortunately, we cannot always be in the classrooms - so anything you have to offer helps us to truly recognize teachers for a job well done! Please email them or drop any notes in our tuition box!

Throughout each year we often have parents approach us about various staff's hobbies, favorite snacks, drinks, etc. If you would like such information, we have Teacher's Questionnaires on file in our offices.

28. Set Your Child up for SUCCESS

- Our school day begins at 9:10am. Please be prompt in getting your child to school and picking him or her up. We cannot accept children early, as this would interfere with the staff's preparation time before class. Teachers are busy and distracted at this time, and unable to give a full welcome to your child.
- Separation anxiety occurs in many different situations and at different stages in young children. Check your own attitude. If you are anxious about a pending separation, your child will notice!
- Teach your child self-reliance. Encourage him to do things for himself.
- Confer regularly with the teacher about your child but refrain from discussing the child in his presence.
- Take an interest in your child's daily experiences and whatever your child brings home.
- If you do not already utilize a daily devotion with your child, now is the time! Our schools utilize the following books for our daily devotion time: *Jesus Wants All of Me* by Oswald Chambers, *The One Year Book of Devotions for Preschoolers and Toddlers* by Crystal Bowman, as well as, *Blessings Every Day: 365 Simple Devotions for the Very Young* by Carla Barnhill.

29. Evaluating and Improving our Program

Sonshine School and Sonshine Academy are dedicated to offering the best program possible. We are continually seeking your feedback to improve and evaluate our program.

We believe that parent input is a valuable part of our program assessment. Parents are encouraged to address concerns or share ideas with the teachers at any time. Parents should bring any problems or concerns to the attention of their child's teacher. If the matter cannot be resolved at this level, parents should contact their child's school Director or Assistant Director.

30. Job Opportunities

Being a substitute teacher or assistant gives the parent an opportunity to see first-hand how their child is responding to the preschool experience and be involved in their learning process. If you are interested, please contact either of the Assistant Directors for more information and an application.

31. Frisco First Baptist Church of Frisco

Consistent with the philosophy and objectives of Christian education, church and Sunday School attendance is highly desirable and important. Going to church does not just benefit *you*; it benefits the ones you are around.

Sonshine School and Sonshine Academy believe that children are unique and special gifts from God. He entrusts the care of these children to parents. The church can assist parents in this care, especially in spiritual matters.

"But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, and how from infancy you have known the holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work." 2 Timothy 3:14-17

"Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another- and all the more as you see the Day approaching." Hebrews 10:23-25

If you have no church home, we invite you to attend one of our worship services. Frisco First Baptist Church is a fellowship of people whose purpose is to love and worship God, to equip believers to live out their faith, and to introduce others to a living relationship with Jesus Christ.

Our goal is to minister to the entire family. We have a variety of programs and activities for all ages. We invite you to explore any of the programs which interest you.

Frisco First Baptist Church Morning Schedule:

Worship & Bible Study Hours: 9:30am & 11:00am

Every Sunday, Frisco First Baptist Church offers worship and small group gatherings for all age groups. Attend adult worship service and LIFEGroup Bible study at either hour; Preschool, Children's and Student Ministries offer similar services during the same times. Toddler and Infant care available for both service hours. For more information about times and locations check out our website at www.friscofirst.church.

Weekday events:

Frisco First Baptist Church offers many opportunities to grow in the grace and knowledge of our Lord and Savior, Jesus Christ. This includes men's and women's Bible studies, Wednesday night classes of varying topics, a variety of service opportunities for adults and children, and many other similar programs serving and supporting growing Christian families.

For more information about our church and programs that we have to offer, you may inquire in our office or visit our website at www.friscofirst.church

32. Doctrinal Statement

- We believe in the verbal inspiration and authority of all scripture. We believe that the Bible reveals God, the fall of man, the way of salvation, and God's plan and purpose in the ages.
- We believe in God the Father, God the Son, and God the Holy Spirit.
- We believe in the deity, virgin birth, and bodily resurrection of Jesus Christ our Lord.
- We believe that salvation is "by grace" plus nothing and minus nothing. The conditions of salvation are repentance and faith.
- We believe that men are justified by faith alone and are accounted righteous before God only through the merits of our Lord and Savior Jesus Christ.
- We believe that it is the responsibility of all believers to live in a state of readiness for the Lord's return by living faithfully and with purity considering the teachings of Scripture.
- We believe that Sonshine School and Sonshine Academy are a direct ministry of First Baptist Church of Frisco and have the mission to preach and teach Jesus Christ, in order to fulfill the Biblical commission of a daily ministry.

"All scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. It is God's way of preparing us in every way, fully equipped for every good thing God wants us to do." 2 Timothy 3:16-17

"Jesus said, "I am the way, the truth, and the life. No one comes to the Father, except through me." John 14:6

"If you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved." Romans 10:9

"To all who received him, to those who believed his name, he gave the right to become children of God-children born not of natural descent, nor of human decision or a husband's will, but born of God." John 1:12-13
