

Small Group Guidelines

1. Keep your sharing focused on your own thoughts and feelings. Limit your sharing to three to five minutes.
2. There will be NO cross talk. Cross talk is when two individuals engage in conversation, excluding all others. Each person is free to express his or her feelings without interruptions.
3. We are here to support one another, not “fix” one another.
4. Anonymity and confidentiality are basic requirements. What is shared in the group stays in the group. The only exception is when someone threatens to injure themselves or others.
5. Offensive language has no place in a Christ-centered recovery group.

The Problem

If you find you cannot quit drinking or using entirely, or if you have little control over the amount you consume, you are probably an alcoholic and/or an addict. If that is the case, you may be suffering from a problem which only a spiritual solution will conquer.

What Is Your Score?

Did you answer YES two or more times? If so, you are probably in trouble with alcohol or drugs.

Only you can decide whether you think Celebrate Recovery is for you. Try to keep an open mind on the subject. If the answer is YES, we will be glad to show you how we stopped drinking and using drugs ourselves.

The Solution

Celebrate Recovery does not promise to solve your life’s problems. But it can show you how to:

- Work through the 8 Recovery Principles found in the Beatitudes. With Jesus Christ as your Higher Power, you can and will change!
- Live without drinking or using one day at a time with the help of the Higher Power, Jesus Christ.
- Stay away from that first drink. If there isn’t a first one, there cannot be a tenth one. And when free of alcohol, life becomes much more manageable, with Christ’s power.
- Experience the true peace and serenity you have been seeking.
- Restore and develop stronger relationships with God and with others.
- Stop relying on dysfunctional, compulsive, and addictive behaviors as a temporary “fix” for pain.
- Apply the biblical principles of conviction, conversion, surrender, confession, restitution, prayer, quiet time, witnessing, and helping one another, which are found within the 8 Recovery Principles and the Christ-centered 12 Steps.

When life becomes impossible and passes into the region from which there is no return through human resources, there are but two alternatives:

- The first is to go on to the bitter end, blotting out the consciousness of our intolerable situation as best as we could.
- The second is to accept Jesus Christ as our Higher Power.

We chose to accept Jesus Christ!
