

Financial requests for long term mission support will be reviewed in February of each calendar year. To assist in the decision-making process, each applicant must provide the Frisco First Missions Team with a completed application. Recommendation for support will be dependent on the team review and the available funds. The final recommendation will be determined at the discretion of Frisco First Missions Team. If your request is approved, our hope is to fund your request for 3 consecutive years, followed by a one year pause before you are eligible again for funding.

Please complete the following application as applicable to your request. Please note that this application is for new on-going, long term support as an organization or individual. If you have received monthly support in the past, please fill out the Renewal Application. If this is for a one time donation or project, please complete the appropriate application.

REVIEW AND APPROVAL PROCESS AND TIMETABLE

Frisco First receives many requests for financial support each year. The Frisco First mission team prayerfully reviews each request for financial support. There are many wonderful mission activities taking place locally, nationally and internationally, all engaging in sharing the good news. The selection on ministries to support is not based on a ranking of individual or organization's "worthiness" but rather on the "fit" of the applicant with the current Frisco First mission statement, the operating goals, the program objectives, available funding and the mission focus of Frisco First Church. The Mission Team will prayerfully review all applications and will notify the applicant when a decision has been made by the Mission's team. The Mission Team will make the final recommendation to church leadership.
